**Subject:** Form submission from: Consumer Comment Form - Black Hills Farm Taps

Submitted on Saturday, September 24, 2016 - 10:10am

Submitted values are:

==Customer Information==

First Name: Dean  
Last Name: Boone  
Address: 1942 240th Street  
City: Manchester  
State: Iowa  
Zip Code: 52057

Email Address: Deanandsueb@lowatelecom.net

Comments: It only makes sense if they are going to take over our service line they need to have a meter on our side of there line, they should also provide said meter at no cost. They should only have a limited time to do this. Our gas should not be metered before it goes though there line.
